LaserEyes's Interests

General	Varied and fleeting. Currently studying drums. Have done many things, do many things now, want to continue to do many new things in the future. Not much does not interest me. Some interest keywords are: Sailing, woodcraft, furniture design, Krishna, bhagavad gita, trivikram, drums, triumph, spitfire, motorcycles, skiing, boating.
Music	Rock, Jazz, Classical, Eastern, 'world', a bit of fusion, a very little bit of rap. Mostly old school.
Movies	Too many to list all. Probably 'Pleasantville' as the perfect combination. Peter Sellers in 'Being There'. 'Fast Times at Ridgemont High' and 'Almost Famous' for being on target. 'Monty Python's Holy Grail' for just pure silly fun. I am an avid fan of moviemaking and often find redeeming qualities in small indie films.
Television	My Name is Earl, West Wing, Law & Order (I miss Lenny), Jon Stewart, Family Guy, South Park.
Books	I read many periodicals, but few books. Last I-can't-put-this-down-I-must-read-more was Dan Brown's "Da Vinci Code"
Heroes	The anonymous people who do their jobs and provide me
